TO YOUTH:

Youth . . . because its hopes . . . and dreams have fallen like leaves in a gust of wind . . . Because Youth has been brave and courageous and spirited . . . Because Youth has fought the good fight . . . Youth that is not measured by the years of the calendar . . . but to those who are young in spirit . . . To Youth the greatest army that ever trod the earth . . . with its tremendous ideals . . . its eternal faith in the future . . . Unconquered and Unconquerable . . . To the Spirit of Youth we sincerely . . . yet joyously dedicate this the twenty fifth volume of the Northern.

Admirable administration . . . cozy campus . . . a
fine faculty . . . swaggering, sophisticated seniors . . .
jocund, jumping juniors . . . stampeding, swatting soph-
omores . . . foolish, frivolous, forlorn freshmen . . .
Put these together . . . shake well . . . and we give you
the . . .

Winter Fun.

VIEWS

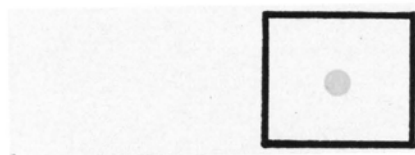

In the circle below . . . Lehr Memorial Administration Building erected in honor of Henry Solomon Lehr . . . founder of Ohio Northern . . . On the opposite page . . . we find Hill Tower and Clock . . . Northern's most picturesque building . . . home of the engineers . . . The building is the John Wesley Hill Sr. Memorial.

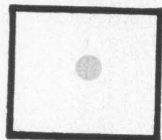

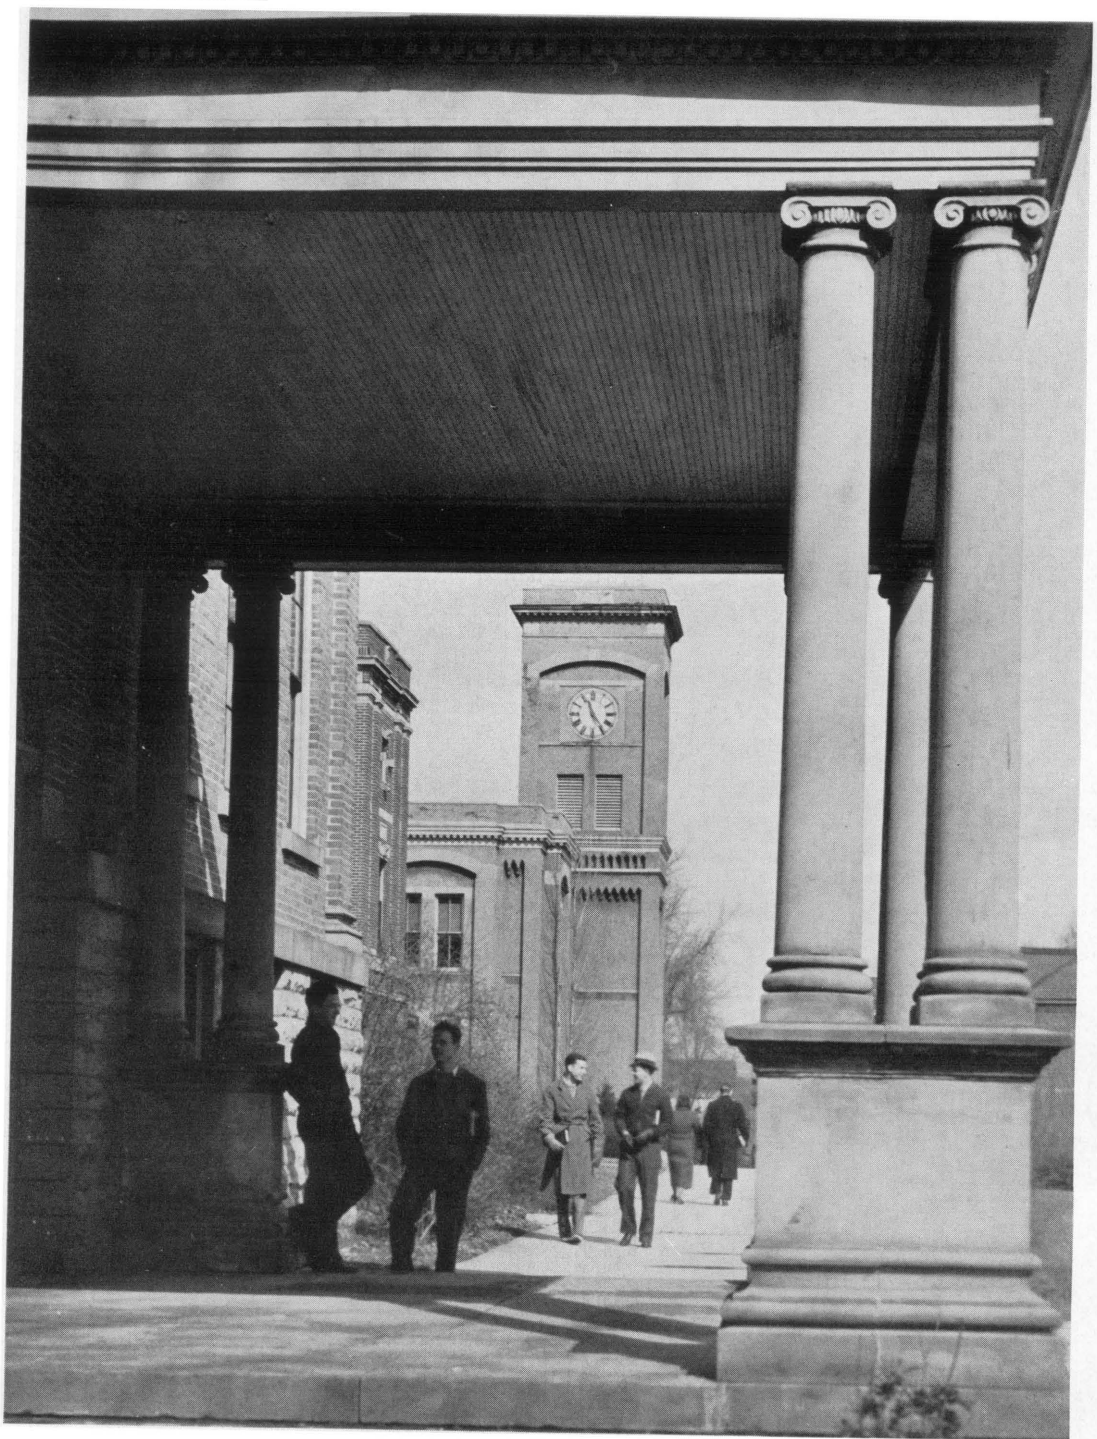

Entrance to the John H. Taft Gymnasium . . . housing Northern's athletic department . . . Basketball . . . fencing duels . . . volleyball . . . intramural sports . . . all have their place in this building . . . In the circle on the opposite page . . . Theodore Presser Memorial . . . Northern's music building . . . with its beautiful windows dedicated to Liszt . . . Bach . . . and others . . . its many practice rooms . . . Here one can get an earful of music.

The Warren G. Harding

not, may we add, the art
of sandwich making.

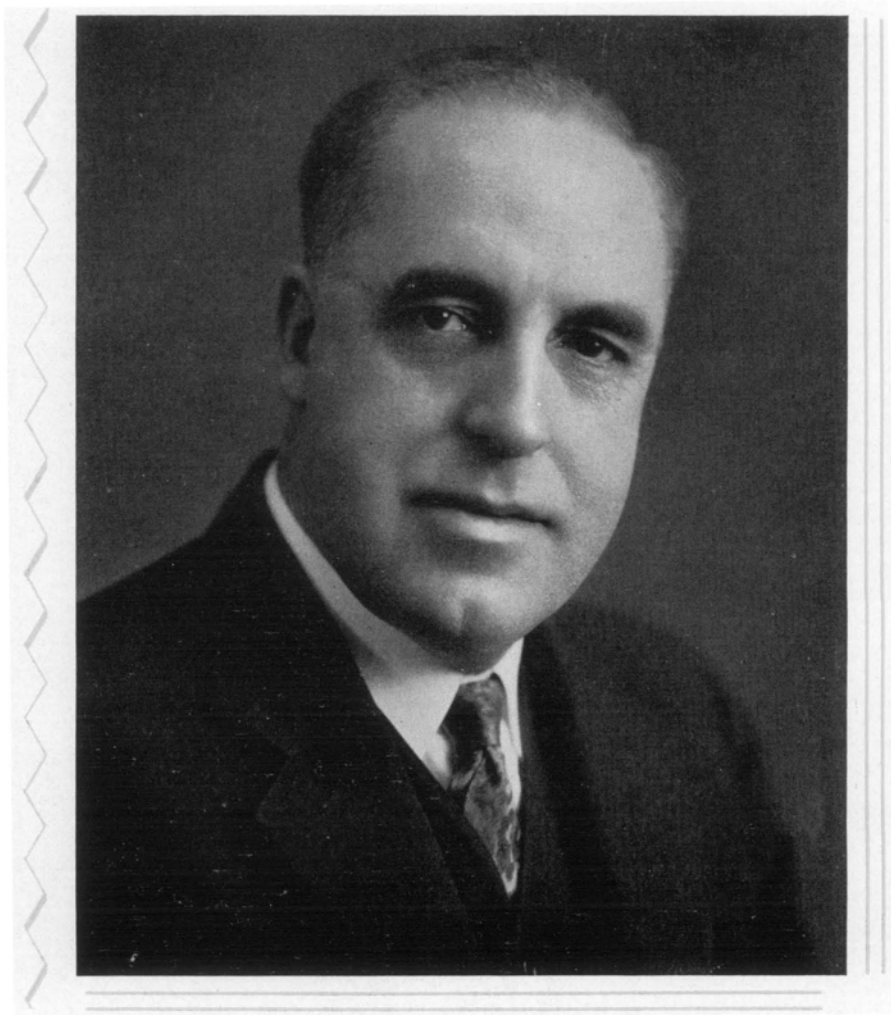

Looking North on the Campus . . . Students walking and talking . . . bells clanging and jangling . . . sun shining . . . or maybe it's raining . . . shrubbery all green and lovely . . . or perhaps leaves falling . . . Cooling zephyrs from the north . . . or biting wintry winds . . . Students scurrying . . . hurrying . . . others loitering on the cannons or stones . . . Looking North from under the arches of Dukes.

In the circle . . . The Brown Memorial Library . . . housing the works of the greats . . . and near greats . . . A storehouse of knowledge . . . the result of the experiences of all mankind are yours here . . . Books . . . **books** . . . and books . . . Here one can live in his own world . . . and retrieve a portion of those best thoughts . . . as Emerson says . . . that the ancients have stolen from us.

ROBERT WILLIAMS
President of Ohio Northern University

PRESIDENT'S MESSAGE

It is a matter of pride to contribute to the Ohio Northern Annual of nineteen hundred and thirty five. After sixty four years of distinguished service to many thousands of students, the University is preparing itself for further expansion and progress. These critical times will give place to new periods of stability, and the demand for fine educational training will be more than ever necessary in the future. Ohio Northern, therefore, should play an increasingly important part in the facilities it offers for students in liberal arts and professional courses. With the constant improvement in teaching, the acquisition of better equipment in its laboratories, and the steady development of the libraries of the University, our campus should be increasingly attractive to the many students who are seeking a thorough education.

Furthermore the University with its emphasis upon the possibilities of richer social fellowship, its care for the life not only of the intellect, but of the spirit, is able to minister with more adequacy than ever to its student body. Both in intramural and intercollegiate activity the students are giving a constantly better account of themselves, and it is growingly manifest that in these respects the future is bright. May we not then venture the suggestion that the student body of the University is its greatest asset—it can with less effort than any other group point out the advantages of Ohio Northern—and can do this with sincerity and enthusiasm. We are all interested in a bigger and better Ohio Northern. We may have such a University if we mutually desire it, and if we work cooperatively to that great end.

With all good wishes for your own success and that of Alma Mater, I am

Cordially yours,

Senior Officers

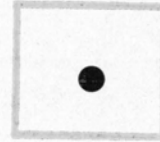

The class of 1935 chose for its leaders during its final year at Northern, a group of young men representative of the University's broad field of training, of the wide area from which Northern attracts its students, and of the activity and ability which exists on the campus. Bernard Freeman, the son of one of Northern's best loved professors, and a student in the Political Science Department of the College of Liberal Arts was chosen President. In addition he has served on the paper and edited the 1935 Northern. His understudy in the Vice-president's position has been Edwin Parkhill of Salamanca, New York. Mr. Parkhill is a student in the College of Engineering, and has been very active in engineering and music circles on the campus.

David Brown of Cleveland has acted as secretary of the senior class. Mr. Brown is a pharmacy student and a member of Alpha Epsilon Pi fraternity.

The treasurer's office was voted to Lawrence Aschenbach, who is enrolled in the College of Law. Mr. Aschenbach hails from Elyria and is a member of Sigma Delta Kappa law fraternity.

SENIORS

The value of a college education is a question that has often been debated with proponents stressing its value and opponents pointing out examples of men who succeeded though lacking a college education. The point on which so many of the traducers of higher education place their argument is so fallacious that it lacks the essential purpose of all argument—seeking the truth. No educator would dare to create by word or act the impression that a college education is a guarantee to that elusive and indefinable something we call success. After four years (or more) spent in college, the college does not in effect say to you, “there is your diploma, you are now an educated person.” How far that is from the truth. A college education only supplies us with the background, the foundation work from which we map work our way forward, or we may recede and degenerate as our minds will. Some of us will achieve, some will not—can that be laid at the door of our Alma Mater? Common sense tells us no. The college merely speaks to us that it has sought in the years that we have been in it to teach us some of the fundamental truths that are the basis of life. We may use these truths to a good effect or pervert them. Some of us will do the former, others the latter. Ohio Northern has given to its Seniors training along these lines. It has taught us certain concepts of moral, ethical and social conduct. Whether or not we employ these in our later life is a personal, individual matter. But we fully believe that it has fulfilled the purpose of every great institution of higher learning—for Ohio Northern has shown us the way to become truly educated, that is, to be seekers after the truth and to appreciate the nobler and finer things of life.

Appreciation

Students, faculty, and townsfolk—all regret the retirement of Richard H. Schoonover, Head of the Department of Classical Languages, after forty-one years of efficient and loyal service.

Scholar, wit, humorist, grammarian, member of the Phi Beta Kappa Fraternity, Professor Schoonover has that wide range of knowledge together with that rare quality of mind, wisdom, which for more than two score years made for him many friends in Ohio educational circles, and endeared him to generations of students at Ohio Northern.

His repartee enlivened many a session of the faculty, of which group he was secretary for twenty-five years.

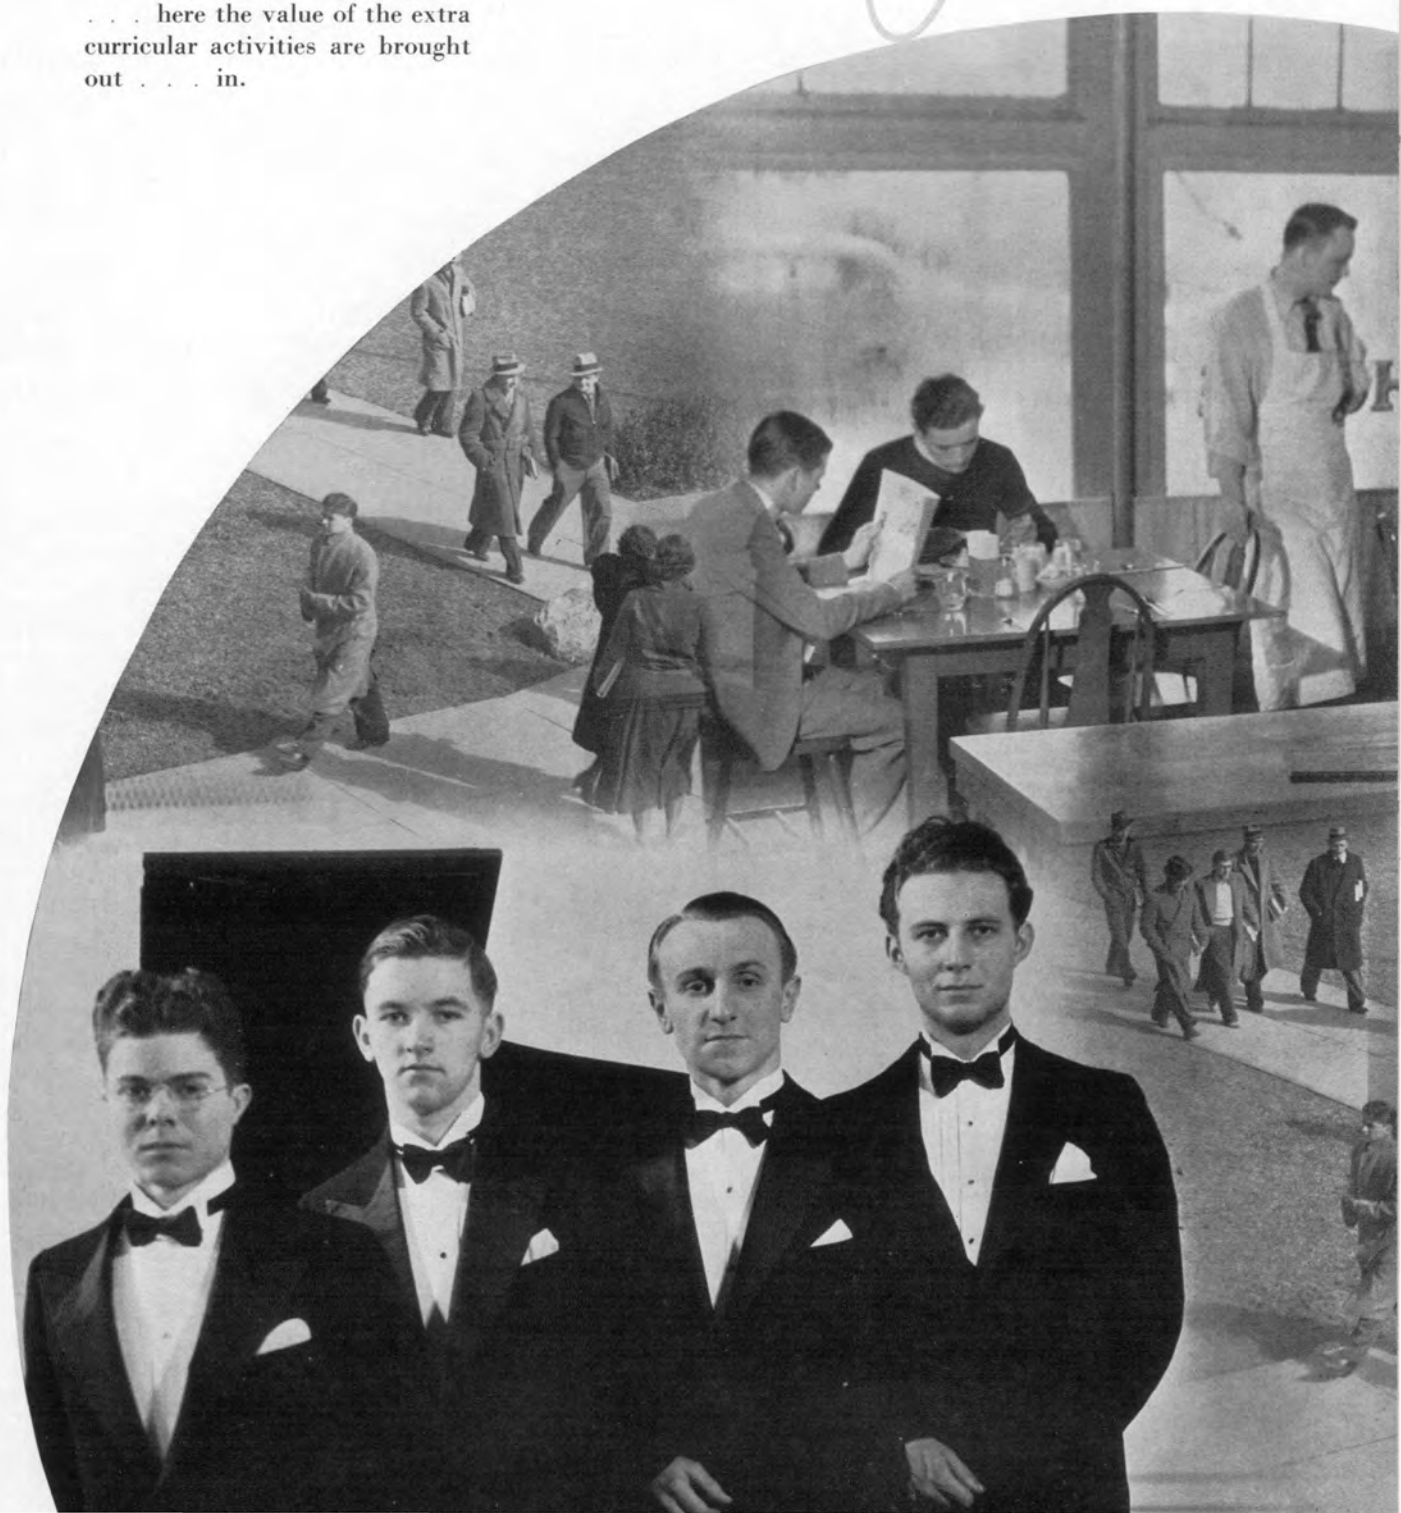

Professor Schoonover has gone to live with one of his sons, Captain Harry Schoonover, of the United States Army, who is now stationed at Fort Clayton, Canal Zone.

The Class of 1935 wishes Professor Schoonover many years of health and happiness, for his is a well earned rest.

THE PRESS CLUB

The Press Club, as its name signifies, is an organization for those who are interested in working on the publications of the student body of Northern. Those who are interested in the field of journalism and wish to work on the annual or the school paper comprise the club's membership. The Press Club is the body from which students are selected for work on these organs, and from it the staffs are chosen. It has always been a very active group with membership open to those students who wish to gain practical experience in the "printing game" that may be of great value to them at a later date. Officers of the club for the past year were: Howard Kennedy, president; Donald PuPerow, vice-president; Geraldine Corbett, secretary-treasurer.

NORTHERN PLAYERS

Northern Players is one of the most active of all the campus organizations at Ohio Northern. The club has a strong membership, which is gained by the use of tryouts for those wishing to join the group. Candidates for membership put on skits and if they show the amount of talent that warrants their acceptance they are then inducted into the drama unit. The club was founded for the purpose of increasing interest in dramatic work in 1921.

"A Scrap of Paper" was the club's first production this year. This comedy proved the dramatic ability of members of Northern Players. Harold Wilson and IlaVere Bepnon shared the leads in this play.

Other plays presented were "She Stoops To Conquer" with Eugene Kerr as Sir Charles Hardcastle, Rudolph Malone as Hastings, Marjorie Fleming as Miss Hardcastle and Bernice Reed as Miss Neville. "A School for Scandal", and "Lady Windermere's Fan". Main roles in the latter production were handled by Kathryn Poor, Louis Burris, Christine Raker and Jack Elzay. Officers of the club were Rudolph Malone, President; Christine Baker, Vice-President; Wayne Freeman, Secretary; Leland Smull, Treasurer and James Davis and William Guyton Sargeants-at-arms.

THE OHIO NORTHERN BAND

The Ohio Northern University Band this past year possessed possibilities for one of its most successful seasons. Furthermore its accomplishments kept pace with its brilliant outlook.

The band appeared at all home athletic contests and accompanied the football team to Wittenberg last fall. During the winter and spring quarters it rendered excellent concerts in Lehr Auditorium as well as presenting programs in many neighboring cities.

At the close of the year gold keys were presented to James Baker, Rex Bell, Robert Everhart, Burdette Holmes, Vernon Hooker, Morris Kuenzli and Ralph Metz in recognition of their service to the organization.

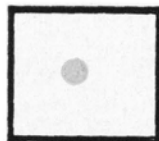

With the very fine marching band, and the glorious concert unit the future in this field of endeavor looks bright indeed.

If next year's group demonstrates the advancement artistically, instrumentally and numerically that the present band does over its Eorerunner, Ohio Northern is certain to carry on as one of the front ranking bands in the state.

MEN'S GLEE CLUB

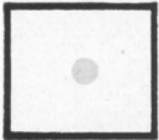

The Ohio Northern Men's Glee Club is one of the outstanding student organizations on the campus. The club is made up of over thirty voices and seeks to teach chorus singing, to develop music appreciation and to train individual voices in vocal technique. The Club presented several programs near and around Ada and was well received.

One of the features of the Glee Club is the male quartet. The quartet is composed of James Miller, first tenor; James Middleton, second tenor; Jack Elzay baritone and Phillip Shlick, bass. The quartet gave numerous programs throughout the year, visiting many schools, churches and clubs. They presented programs at alumni association meetings and broadcast over stations WTAM, Cleveland, and WAIU, Columbus. The quartet has variety of songs running the gamut from light negro spirituals, comic songs, to the deeper and more serious toned type.

In the Spring Quarter the Men's Glee Club, in conjunction with the Girl's Glee Club presented the famous Gilbert and Sullivan operetta, "The Mikado." This was probably the foremost event of the year for the organization.

For social activity the club sponsored a dance during the fall quarter which was pronounced very successful by all who were present.

Officers who guided the club during the year 1934-1935 were: President, Morris Kuenzli; Secretary-Treasurer, Boice Doughty; Business Manager, Jack Elzay; Student Director, Morris Kuenzli; Accompanist, Dane Heitzman; Director, Professor H. Gerald DeWees.

GIRLS' GLEE CLUB

The Girls' Glee Club this year carried out an enterprising program of concerts and performances in many towns in the vicinity of Ada. The club was composed of approximately thirty voices and was directed by Miss Harriet Ledger, instructor in the music department. It has as its purpose the aim to create an interest in classical music and to develop student talent in chorus work.

The club sponsored a dance the spring quarter, and provided an interesting floor show as a part of the program for the affair.

As a climax to the years work in the Spring Quarter, the Girls' Glee Club joined together with the Boys' Glee Club in presenting the Gilbert and Sullivan operetta, "The Mikado".

An interesting and leading part in the programs of the club was furnished by the Girls' trio. The trio was composed of Bernice Warner, first soprano; Ruth Loy, second soprano and Eureka Rumpus, alto. This group made several special performances and was always well received.

The officers of the Girls club were Margaret Shambaugh, Business Manager; Vera Tallman, Secretary-Treasurer; Betty Moesta, Publicity Director; Mary Lois Sautter, Accompanist; Lucille Gant, Student director and Miss Ledger, Director.

UNIVERSITY ORCHESTRA

During the past year the University Orchestra has continued its study of symphonic music literature. Through its weekly rehearsals its members have gained an acquaintance with some of the standard classical orchestral works.

The orchestra made several public appearances during the past season. They played at chapel and at faculty receptions, and in addition assisted the Choral Society in its Christmas presentation of "The Messiah" and the glee clubs in their production of "The Mikado". The marked improvement shown in the work of past seasons augurs well for the continued growth, development and appreciation of this unit. Robert Melcher is conductor of the orchestra and is assisted by Miss Harriet Ledger.

O. N. U. P. A.

The Ohio Northern University Pharmaceutical Association celebrated its thirtieth anniversary as an organization on the Northern campus this year. This student group has always maintained a great record for doing things to foster interest in pharmacy. The organization is open to all students registered in the Pharmacy College.

The purpose of the O. N. U. P. A. is to encourage research work and to supply information relative to the latest developments in pharmacy.

In addition to the year 1935 being the thirtieth anniversary of the societies founding, it marked the fiftieth year of pharmacy at Ohio Northern. These anniversaries together with the twentieth anniversary of Open House were marked by fitting ceremonies and activities. During Open House all students and friends are invited to visit the pharmacy laboratories and class rooms.

The officers for this year were: Richard Hursh, president; Warren Messerly, secretary-treasurer; Dean R. H. Raabe, the permanent president and Professor Marshall Close, faculty adviser.

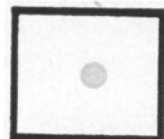

*Standing from left to right, CANTERBURY, BENTON, TAYLOR, SMILEY, MIDLAN, CORNELL, STAFFORD, KUENZLI, WEDGEWOOD, FISHER, SPRANG, BORLAND, HUSTON.

Y. M. C. A.

The Y. M. C. A. has carried out a program of unusual interest this year. Varied and highly instructive programs have been arranged with prominent speakers presenting interesting material. A joint meeting was held with the Y. W. C. A. and a benefit movie was sponsored the fall quarter. The outstanding social event of the school year was a theater party given by Y members.

During the year the membership of the club has doubled, as a result of a drive conducted by John Canterbury, membership chairman. Officers for the year were: President, Jack Wedgewood; Vice-president, Morris Kuenzli; Secretary-Treasurer, Boyd Sobers; Program Chairman, Ronald Downing; Advertising Chairman, Richard Taylor; Pianist, Phillip Schlick; Music Director, James Middleton; Faculty Adviser, Dean J. A. Potter.

Y. W. C. A.

The Y. W. C. A. is one of the more active and one of the most beneficial groups at Northern. In the fall quarter this organization sponsors the Big Brother and Little Sister get acquainted week when school first opens. In the winter quarter they promote a Boston baked bean dinner and during the Spring quarter they sponsor a Sunset Supper on the campus lawn.

Meetings are held every Wednesday evening and programs of unusual interest are presented. Music and literary numbers are presented and social problems are discussed.

The officers of Y. W. C. A. for this year were: Esther Sundermann, president; Geraldine Corbett, vice-president; Margaret Long, secretary-treasurer. Members of the cabinet were: Isabel Motter, Lucille Weber, Bernice Reed and Greulach. Miss Wilder served as faculty adviser.

ENGINEERS' EXECUTIVE COMMITTEE

The Engineers Executive Committee is the board of control over all engineering activities on the campus. The committee is composed of one representative from each of the four engineering societies. Members for this year were Miller Ward, representing the civil engineers, Stanley Scharer of the mechanical group, Clarence Jacobs of the electricals and Lewis Thomas of the Chemical Engineering society. These four members are the presidents of their respective groups. Dean Needy is the ex-officio chairman of this board and it works under his leadership and guidance.

The purpose of the committee is to promote engineering activities at Northern, to encourage the development of the learning of the science of engineering and to bring the four engineering schools into a close degree of understanding and co-operation. The executive committee organizes and conducts the activities of Engineers Week, which is one of the most important events in the school life of the student engineer.

THE A. I. E. E.

The Ohio Northern Student branch of the A. I. E. E. holds the unique distinction of being the pioneer student branch of the A. I. E. E. in Ohio and the first student branch of a national technical society on the campus, being organized here on February 9th, 1912.

In number of meetings held per year, in attendance at these meetings, and in percentage of students in the electrical department holding membership, the Northern branch is one of the leading student groups of the country. Meetings are held weekly and highly instructive and educational programs are presented.

The officers of the electrical society are: Clarence B. Jacobs, president; Clifford J. Rutter, vice-president; Paul D. Parks, secretary; Leonard Lehtonen, treasurer; and Professor Ivor Campbell, faculty adviser.

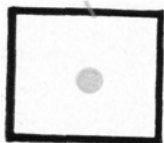

Buck Row—VIETO, ALLEGRONE, UPP, GOLDBLUM, SCHULTE, MITCHELL, HOLDREN, PAUL, MAURER, DAY, FREUND, RANDALL, HAINEN, VERTINO.

THE A. S. C. E.

The Ohio Northern student chapter of the American Society of Civil Engineers was organized in 1925. The group holds meetings twice a month and all civil engineering students are considered as members of the body.

The meetings are in charge of the students and these gatherings consist of discussions of civil engineering projects with which they are familiar, thus enabling the students to obtain highly valuable practical experience in presentation. Illustrated lectures, loaned by the parent society, on important civil engineering subjects are also given. These furnish the students knowledge of what is going on in the civil engineering world in a vivid and interesting manner.

Officers of the civil society for the year **1934-1935** were: Miller Ward, president; Gerald Fling, vice-president; Lloyd Niday, secretary; Angus Purdy, treasurer; and Professor Alexander R. Webb, faculty adviser.

Back Row—NEMIC, HUSTON, PASSMORE, PARK, MILLIRON, AMSTUTZ, SIMONS, WAITE, SMILEY, BAKER, YOUNG, CLARK, BAUMAN, LEISENHEIMER, NELSON, DUPerOW, SCHARER.

Front Row—VLAD, T. BAILEY, PROKOP, BLAZEK, YEE, PALMER, C. BAILEY, BALES, MARPLE, JOHNSON, HANSEN, KNOBLAUCH, DEAN NEDDY.

THE A. S. M. E.

The Ohio Northern branch of the American Society of Mechanical Engineers holds semi-monthly meetings at which original papers in this field of engineering are read and discussed by society members. The students enrolled in the school of mechanical engineering are eligible for membership.

The society has been established at Northern for approximately fifteen years and has been very active on the campus in promoting inspection trips and other activities of a like nature for the benefit of its members.

The Ohio Northern group has been recently placed in the Alleghany Regional Student Conference and delegates from the Northern association are sent to these regional conferences.

The officers of the mechanical society are: Stanley Scharer, president; Homer C. Simons, vice-president; Charles Bailey, secretary; Robert Leisenheimer, treasurer; and Dean John A. Nedy, honorary chairman.

Back Row—CARLIN, LYNN, WIAIT, CATTELL, SILSBY, ACCOUNTIUS, LITTLER, CEDERQUIST, WELLMAN, SLYDER.
Front Row—PROFESSOR FILSON, DILLIARD, ARMSTRONG, WARREN, THOMPSON, EGGER, THOMAS, DR. HARROD.

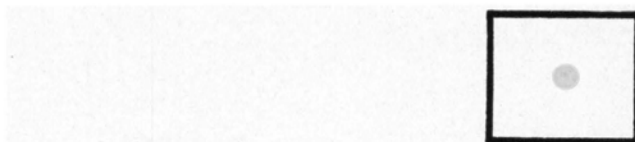

THE O. N. U. S. C. E.

The O. N. U. Society of Chemical Engineers meets bi-weekly for discussion of current problems and achievements in the field of chemistry.

Technical papers pertaining to chemical engineering are read and chemical and metallurgical subjects are discussed. All students of chemical engineering are eligible to membership in the society.

The object of the organization is to promote interest in all affairs concerning the subject of Chemical Engineering and to train the student in the preparation of original papers in order that he may later in life be active in National Society activities.

The officers of the society were: Lewis E. Thomas, president; Victor Wellman, vice-president; Paul Dilliard, secretary and treasurer; Dr. Jesse R. Harrod and Professor Malcolm Filson, faculty advisers.

GIRLS' DEBATE TEAM

Once again Ohio Northern co-eds represented the university in the Ohio Intercollegiate Women's Debate Conference. The proposition selected for debate this year by the league was: Resolved, "That the Present Extent of Modern Advertising is to Be Deplored."

The teams were composed of the following girls: Ila Vere Beynon, Verna Kemper, Bernice Reed and Fae Burr making up the affirmative squad, while Catharine Clark, Kathryn Poor, Josephine Tracht, Helen Shirey and Helen Hull upheld the negative side of the question.

The affirmative team met Wittenberg and lost to them, were defeated by Kenty State and beat Ohio University. The negative team engaged Earlham and were vanquished, were beaten by Ohio University and won from the Kent State affirmative team.

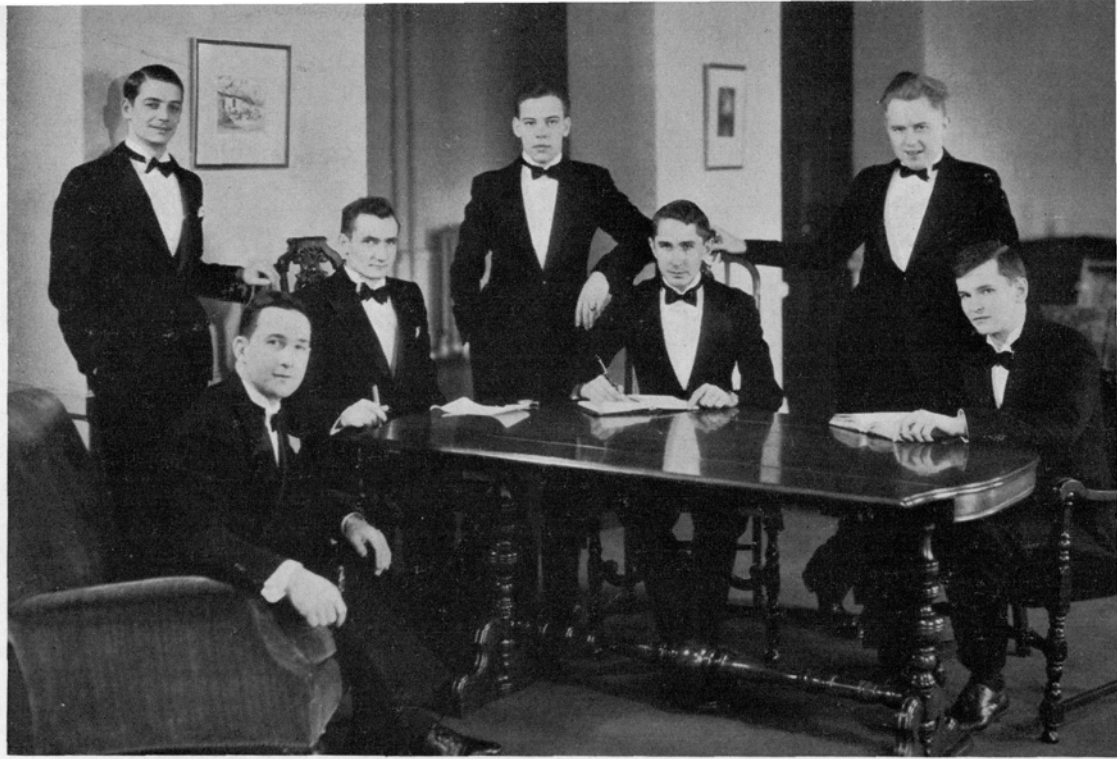

Despite only a fair record in victories, much valuable experience in public speaking and the presentation of subject matter was gained by the girls. The girls were coached by Professor Cliffe Deming, who has made an excellent record in forensic work at Northern and they enjoyed greatly the season's work.

GIRLS' DEBATE

Seated left to right, ILA VERE BEYNON, JOSEPHINE TRACHT, CATHERINE CLARK, KATHRYN POOR and FAE BURR.

Standing, left to right, BERNICE REED, VERNA KEMPER, HELEN HULL and HELEN SHIREY.

*Seated, ~~and~~ to right, THEODORE LUTZ, JAMES BLAIR, BOYD SOBERS and WAYNE FREEMAN.
Standing, left to right, EUGENE MOUNT, JOHN CANTERBURY and WILLIAM YOST.*

MEN'S DEBATE TEAM

Ohio Northern's men's debate team is organized both for the purpose of participating in Intercollegiate debates and of affording debaters enough practice in public speaking as will develop a reasonable degree of proficiency in that art.

This year the question debated in the Ohio Intercollegiate Debate Conference was: Resolved "That Public Ownership of Utilities, Federal, State, and Municipal is Preferable to the Present System of Private Ownership Under Governmental Control." The affirmative team, composed of Eugene Mount, Merrill Devoe, Theodore Lutz, and John Canterbury, alternate, engaged in decisionless debates with Muskingum and Findlay negative teams. The negative team, composed of Wayne Freeman, James Blair, Boyd Sobers, and William Yost, alternate, lost to Capital and argued with the affirmatives of Akron and Otterbein in decisionless contests.

A special negative team, made up of Wayne Freeman, John Canterbury and Boyd Sobers competed in the Intercollegiate Debate tournament at Columbus and won two out of three debates, defeating Findlay and Heidelberg while losing to Otterbein, thereby placing high in the final ratings. The affirmative team could not make the trip because of the interference of examinations.

Seated on the divan at the left, LUCILLE GANT, ELIZABETH HATFIELD, MARY WOLFROM and on the arm, HAZEL CRONBAUGH, In the chairs at the right from Left to right, KATHRYN POOR, ESTHER SUNDERMANN (seated on the arm) and RUTH GILL. Standing from Left to right, DOROTHY MUMAUGH, ESTHER TOPLIFF, LUCILLE WEBER and ALICE BETZ.

LEGISLATIVE BOARD AND HOUSE COUNCIL

The Legislative Board and House Council are intrinsic divisions of the governmental plan underlying the constitution of the Association of Women Students. They play an important part in developing the policies of that organization.

The Board is composed of the four A. W. S. officers, plus the president of the Y. W. C. A., the president of the W. A. A. the president of Pan-Hellenic, and representatives of each of the four classes.

The purpose of the organization is to strengthen the various women's associations to prevent their programs from overlapping, and to determine their general policies.

ASSOCIATION OF WOMEN STUDENTS

The Association of Women Students, founded in 1929-1930, has this year continued the program which the organizers set up for it. The women of Northern are urged to engage in the various activities on the campus, and are guided in their choice by this organization.

Among the social activities sponsored by the A. W. S. during the year were the Women's Formal dinner, Freshman week, All-college Winter Formal dance, Senior breakfast and Alumnae luncheon.

All women students of the university automatically become members of the association upon enrolling. The officers for the current year were: Kathryn Poor of Etna Green, Indiana, president. Miss Poor is one of Northern's best known students and is especially interested in the field of dramatics. Hazel Mae Cronbaugh of Ada acted as vice-president of the group. She is a science student and a junior. Dorothy Mumaugh of Lima served as secretary. She is a sophomore and a major in science. Lucille Gant of Ada was the A. W. S. treasurer. Miss Gant is a sophomore and a music student.

MEN'S INTERFRATERNITY COUNCIL

The Men's Interfraternity Council of Ohio Northern is composed of one representative from each of Northern's ten Greek letter organizations. Here the leaders of the fraternities meet to discuss problems of campus activities, scholarship and fraternity affairs. In this way cordial and friendly relations and rivalries are promoted among the fraternities to bring out the best in each group.

During the present year they have assisted in preparing the homecoming celebration, sponsored the football banquet, and gave their whole hearted support to the college yearbook. They also sent a delegate to the meeting of the National Interfraternity Council.

To stimulate scholarship among fraternities the council awards a trophy to the fraternity with the highest point average. This year they inaugurated the idea to award a plaque to the fraternity whose pledges have the highest point average. This is to be in effect only during the fall and winter quarters.

PAN-HELLENIC COUNCIL

The Pan Hellenic Council is the governing body that rules over sorority affairs on the campus. This group is composed of two members from each sorority, one being a senior and the other a representative of the lower classes.

The organization has for its purpose the promotion of friendly relations between the sororities, between sorority and non-sorority women. It lends its support to all university activities, and is especially interested in those that relate to the women students of the university. The council aids in establishing the desire for high scholarship, and backs fair play in rushing.

Max Pugh seems to be the object of the Kappa Psi boys' affection here. Well in this house of great lovers one would think that the boys would all be at their mirrors. But somehow Exley, Cole, Miller, Peters, Hesser and Geiger find time to listen. Let's not forget that fellow in the stairway either, it's Dick Hursh playing hide and seek with you.

The Ohio Northern Polar Bears compiled the greatest record on the gridiron in the history of the school when they completed the 1934 season undefeated and unscored on. When the whistle had blown bringing another year of football to an end, throughout the entire United States Ohio Northern was the only college football team that could boast of a goal line that was untouched by enemy cleats. To add to these laurels, the Polar Bears were the only undefeated football team in the state of Ohio.

To the Bears line goes the greatest part of the glory for this marvelous record. From the end to end the forward wall was composed of heavy, fast charging men. Offensively they opened holes in the opponent's line and lead the way for the ball carriers; defensively, they were superb consistently dropping the opposing backs for a loss and seldom allowing the gain of more than five yards. Their defensive strength can be attested to in the fact that only twice during the season were the opposing teams able to advance the ball within the Bears twenty yard line. Brentlinger, Northern safety man, was only forced to make tackles three times during the season.

And now for bits about some of the outstanding players who chalked up this great record. Bill Kyle, who held down the center position was rewarded for his skill by being named All-Ohio center by the United Press. Elmer Faber, Kyle's understudy gave a good account of himself when he replaced Kyle when the latter suffered a broken leg. Gerry Fling, Jack Owens and Leon Parish divided the guard assignments. This was Gerry's last year of competition having been a mainstay on the team for three years. Herbert Knoblauch and Joe Ayres did a lion's share of the work at the tackle positions. Both graduate and both will be greatly missed. Red Ash and Fred Steiner also showed to good advantage at tackle, and they will be back next year. Coach Harris Lamb had a number of fine ends. Steve Shay, Virgil Murphy, Layton Tracht, Paul Coniam and Ramon Harmon all performed effeciently at the flanker positions. Shay and Tracht will be lost through graduation.

The backfield men included three seniors, Bob Heikowsky, Lowell Reese and Max Huber, and seven sophomores, Woodrow Bailey, Bob Rlose, Jim Brentlinger, George Burrey, Harry Boyd, Frank Arrotta and Curly Owens. Heikowsky was honored by his teammates by being elected honorary captain at the close of the season. Heiko is a three letter man while Reese and Huber won two letters in football.

Knoblauch, Fling, Kyle, Burrey and Brentlinger all received All-Ohio honorable mention. There is no statement that more truly characterizes the team than that of the Ohio Associated Press Editor "this is a tribute to the team play of those squads (Ohio Northern and Denison) that no one player stands out sufficiently over the others to warrant his selection" (on the All-Ohio **A** team. The Polar Bears displayed the great team work which was the foundation of their success. In 1934 the proverbial "next year they'll be better" had arrived. Ohio Northern is once more taking its rightful place in the football sun.

HOLMES, MANAGER

OHIO NORTHERN 13

HEIDELBERG 0

Ohio Northern opened their 1934 football season with a 13-0 victory over Heidelberg. They broke a seven year jinx in doing so. Sending a team composed mostly of sophomores onto the field the Bears jumped into an early lead and were never seriously threatened.

Heidelberg won the toss and elected to kick off to Northern. The Polar Bears made one attempt to gain through the line then Blose dropped back and sent a long punt down to the Student Prince ten yard line. The Heidelberg safety man fumbled the ball and it was recovered by Kyle giving the Bears a first down and goal to go. On the first play Heikowsky tossed a lateral pass to Brentlinger who crossed the goal line standing up. The try for point after touchdown was wide.

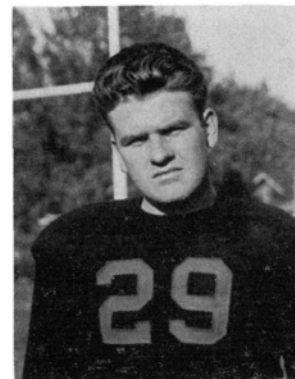

During the rest of the first half the Bears continued to show a decided advantage but they were unable to score. Burrey then made a thirty yard pass to Brentlinger who was downed on the one yard line just as the half ended.

The third quarter was played on even terms but at the opening of the fourth quarter, the Polar Bears staged another touchdown drive. With the line opening huge gaps in the Student Prince's forward wall, Heikowsky and Burrey plunged down to the eight yard line where Heikowsky carried the ball across on a spinner play. His pass to Burrey for the extra point was good. As the game ended, Northern was again on the Student Prince's one yard line.

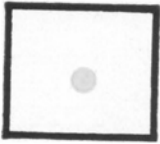

The Polar Bears presented a diversified attack and on the defense they were exceptionally good holding Heidelberg to two first downs. The victory gave the Bears a flying start in the race for Ohio Conference honors and gave promise of a good season to follow.

FLING

KYLE

The Polar Bears well balanced grid machine ran roughshod over a spotty Hiram eleven in their first home game of the season. The final gun sounded only after the Bears had crossed the enemy goal line five times and converted three points after touchdown to give them a 33-0 victory.

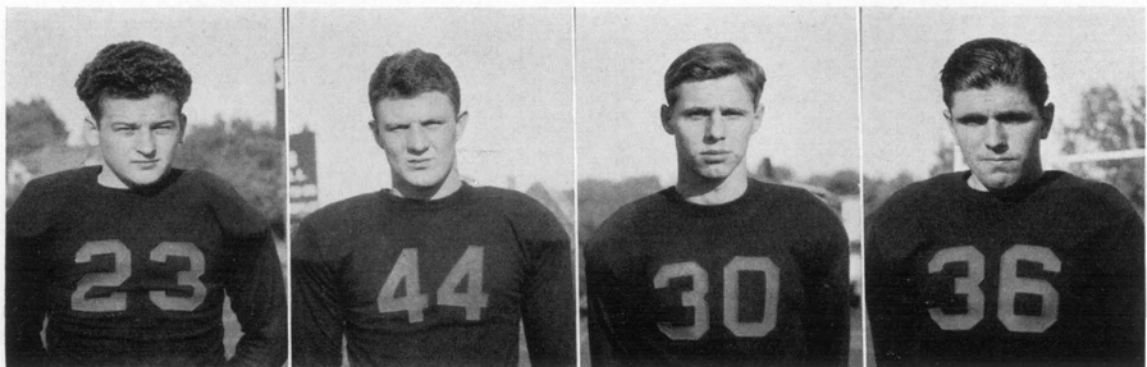

Northern presented a dazzling attack of line smashes, end runs, and forward and lateral passes, while the line played exceptionally well. With every man on the squad seeing action, the Bears played flawless football, gaining at will and playing superb defense.

Burrey, 195 pound pile driving fullback, smashed his way through the Hiram line for a touchdown early in the first quarter and repeated a few minutes later to give the Polar Bears a commanding lead. Heikowsky placekicked the point after touchdown on both occasions.

A thirty yard forward pass, Brentlinger to Burrey, three line plays by Burrey and Blose, and a lateral pass to Brentlinger placed the ball in a scoring position again. Brentlinger then took the ball and tallied on a sweeping end run. The try for point after touchdown failed.

The outstanding run of the day was made by Bailey late in the second half when he broke through the left side of Hiram's line and scampered seventy five yards before he was downed on the seven yard line. The half ended before the Bears could score.

The third quarter found Blose consistently outpunting the Hiram backs and gave Northern the ball in a position to score. The final quarter had scarcely started when Brentlinger tossed a forty yard pass to Bailey who dashed over the goal for the Bears fourth touchdown. A few minutes later Brentlinger threw another pass, this to Coniam who caught the ball in the end zone for a touchdown. Heikowsky made good the first of the two points after touchdown.

SHAY

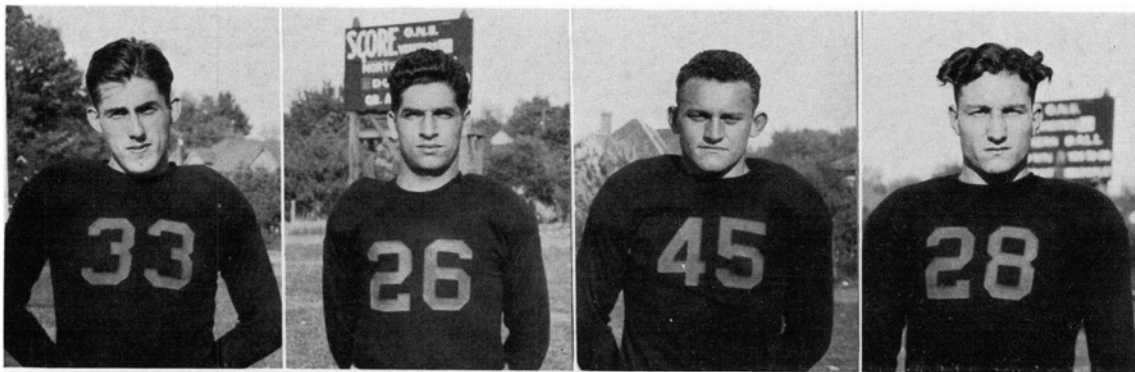

Playing before one of the largest Homecoming crowds in many years, the Polar Bears continued their winning ways, much to the enjoyment of the alumni, by downing Capital 20-0. It was the day that numerous Northern "grads" had been waiting for. They wanted to see a truly superior Northern team perform in a decisive manner, and those present were rewarded. The victory added to the brilliance of one of the finest Homecomings in years.

In the early part of the game, Blose staged a punting duel with the Capital kickers and held a decided advantage. The first break came in the second quarter when Brentlinger returned a punt deep into the Lutheran's territory. Two passes, one to Burrey and one to Blose, placed the ball on the six yard line from where Brentlinger eluded several tacklers and crossed the goal-line for the first touchdown. Heikowsky's kick was good. The Bears staged another dive which just stopped short of another touchdown as the half ended.

The Northern team came back strong the second half to run up two more touchdowns before calling it a day. Late in the third quarter the Polar Bears marched down the field again with Heikowsky, Burrey and Brentlinger driving through and around the opposition. With the ball resting on the ten yard line, Brentlinger, by a fine piece of open field running tallied the second touchdown of the day. The try for point after touchdown failed.

The final touchdown came about midway in the fourth quarter when Coniam on the old end around play, placed the ball in a scoring position. Blose then drove over guard for the final six pointer. Heikowsky made good his try for point after touchdown.

The line play of the Bears was outstanding. They opened holes in the Lutheran's line with ease and refused to be shoved back when on the defense.

HARMON

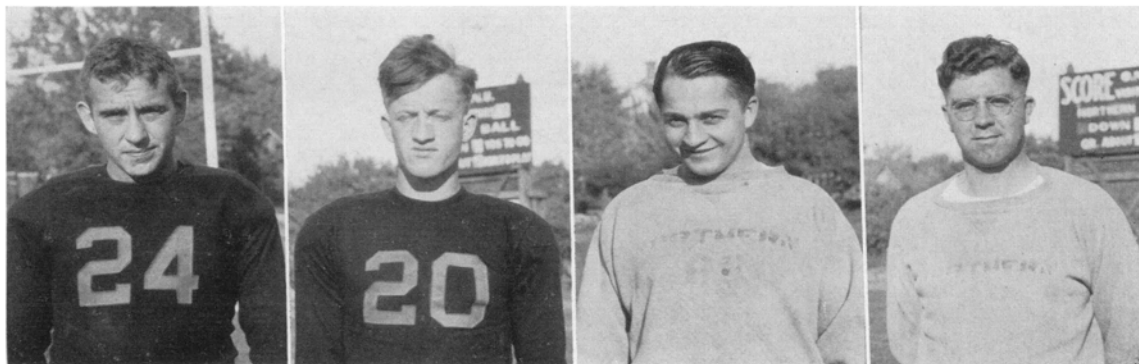

The Otterbein Cardinals were the fourth victims of the Polar Bears. Northern marred Otterbein's Homecoming somewhat by leaving them on the short end of the 23-0 score. The battle for Ohio Conference honors had been reduced to a three way fight between Ohio Northern, Wooster, and Dennison and the Bears were battling hard to remain in the running.

Playing on a wind swept field, the Bears played Otterbein and the wind on even terms during the first quarter. In the second quarter, with the wind to their advantage, the Northern team began an offensive drive that wasn't to be denied. The Bears carried the ball to the Otterbein six yard line. They lost the ball on downs. Standing behind his own goal line to punt out of danger, Rutter was smothered for safety by Knoblauch and Ayres, Northern's giant tackles. The entire Northern line seemed to break through with "Knobby" and "Joe" making the tackle.

Burrey aided by Heikowsky and Brentlinger, carried the ball down the field and this time Burrey ploughed over for a touchdown. Heikowsky's kick was good for the extra point. The Cardinals elected to kick off. On runs of forty and twenty-five yards by Brentlinger. Northern was once more in threatening territory. Brentlinger faded back and through a twenty-five yard pass to Murphy, six foot, three inch end, who took the ball in the end zone for the Bears second touchdown. Heikowsky converted the extra point.

Early in the second half the Polar Bears added their third touchdown. Two lateral passes, one to Heikowsky and one to Rrentlinger, netted forty yards. Burrey then crashed through the Otterbein defense on a spinner play and ran fifteen yards for the touchdown. Heikowsky again made good for the point after touchdown.

Ohio Northern marches on—Ohio Northern 7-Wittenberg 0. Thus Northern hung up their fifth consecutive victory while remaining undefeated and untied, and unscored upon. A large crowd of Northern followers including the band journeyed to Springfield to witness the Bears as they remained in the thick of fight for Ohio Conference honors.

Wittenberg played inspired football against the Polar Bears in holding them to only one touchdown. Northern outran, outpunted, and outpassed Wittenberg but were able to push the ball across but once. The touchdown came just as the first half ended, when Brentlinger threw a pass to Coniam, who had outraced the secondary defense for the score. Heikowsky's reliable toe converted the point after touchdown. Once in the lead the Polar Bears settled down to straight defensive football.

Northern received a break early in the game when Harmon recovered a Wittenberg fumble on the twenty-four yard line. The Bears, however were unable to gain and a place kick was low. A second break came a few minutes later when Brentlinger returned a punt to the Wittenberg twenty-seven yard line. On the next play, Northern tried a triple lateral with every man in use backfield handling the ball and carried the ball across the goal-line only to have the play called back by one of the officials who declared the final lateral was a forward pass. However the Bears came back strong to score the game-winning touchdown. Burrey broke loose twice to carry the ball to Wittenberg's fifteen yard line. Wittenberg took the ball on downs and when they tried to punt Ayres blocked the kick and Knoblauch recovered on Wittenberg's eleven yard line from where the touchdown was scored.

The brilliant play of the Bears was absent in the second half when they settled down to straight defensive football which kept Wittenberg's attack bottled up.

The terrific strain of protecting their uncrossed goal line finally came to the front but the Polar Bears, although their offensive drive was missing, managed to keep their great defensive record intact by holding Bowling Green to a scoreless tie. The Bears entered the contest in a weakened physical condition and only the great defensive play of Northern's fine line averted defeat. From end to end, Northern had a forward wall that stood out above every team they met.

The first half was bitterly fought through, although neither team succeeded in penetrating into the other team's territory. Burrey, Blose, and Heikowsky more than held their own in the punting, but Bowling Green managed to keep the Bears from threatening. Late in the half, "Billy" Kyle, United Press selection for All-Ohio center, received a broken leg and his loss to the Bears handicapped them further.

Throughout the second half the Bears were on the defensive. The Falcon's were consistently starting short drives but it wasn't until midway in the last quarter that they received their real opportunity when they recovered a Northern fumble on the Bear's own thirty yard line. The Falcons struck hard and fast, as series of line kicks, end runs, and a forward pass carried the ball down to the Northern ten yard line. For three plays the Bears held the high spirited Bowling Green team. Then on the fourth and last down Brooks, a dropkicker was rushed into the game to try for a field goal but the ball never left his hands. So quickly did the Northern line crash through that he was smothered before he could attempt a kick. Faber, who had taken Kyle's place intercepted a pass just before the game ended to stop Bowling Green's other threat at Northern's record.

Ohio Northern completed the most successful football season in the history of the University by defeating Bluffton 6-0. The Polar Bears finished the season the only undefeated team in the state and the only major team in the country whose goal line was uncrossed. Thus the Bears set a national record and received much recognition.

The game started with the bears playing listless football. Late in the half Blose intercepted a pass and ran to the Bluffton fifteen yard line before being downed but the Polar Bears were unable to capitalize on the break. Twice Bluffton got within striking distance of Northern's goal; once on a poor punt and another time on a beautiful return of a punt by Vogelgesang, Bluffton star. On both occasions they attempted field goals but both kicks failed to find the uprights.

The Polar Bears came back in the second half with the fight that had characterized their playing throughout the season. Near the end of the third quarter Knoblauch broke through the line and blocked Vogelgesang's quick kick. Coniam recovered the ball on Bluffton's twenty yard line. After failing to gain through the line, Huber threw a perfect pass to Heikowsky, who was downed on the five yard line. Burrey, who had been injured in the Bowling Green game entered the game and in three plays smashed through for a touchdown. Heikowsky failed to convert the extra point.

From then on the ball game was all Northern's with only several goal line stands by Bluffton's preventing the Bears from adding further to the score. This was the last game of their collegiate careers for Joe Ayres, Steve Shay, Jerry Fling, Robert Heikowsky, Max Huber, Herbert Knoblauch, Elwood Kyle, Lowell Reese, and Layton Tracht.

FRESHMAN FOOTBALL

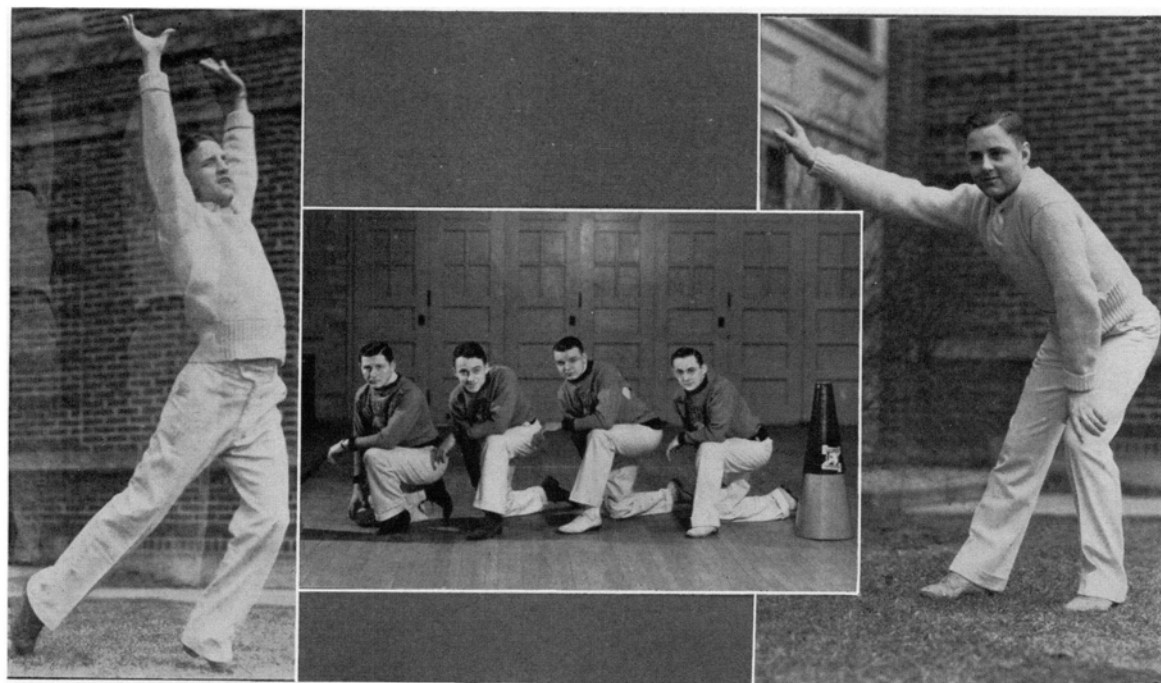

Having had the most successful football team in the schools history in 1934, Northern rooters may be wondering just what the future holds in store for the university in football. Anyone who saw Coach Clyde Lamb's frosh charges go through their paces last fall knows that Northern will be well fortified in football for a few years. Coach Lamb believes that this years squad was the best balanced and strongest since he has been at Northern.

The squad comes from many of the outstanding high schools in Ohio, and several of the boys are from other states. Outstanding men on the frosh team were: Lefty Murphy from Bellefontaine, who played at end; Tony Bowers, a guard from Lima South; "Red" Redman, a guard from Cleveland Shaw; Louis Nemic, a center from Bellaire; Tony Susie, a tackle from Midland, Pennsylvania; Kayo Niewiadomi, halfback from Cleveland South; Ratcliff, a fullback from Piqua; Bob Runser, halfback from Ada; and Al Robinson, back from Turtle Creek, Pennsylvania.

All these boys look good enough to make all this years regulars hustle to hold down their positions, and that is just what every coach wants to make a fine team.

CHEERLEADERS

Playing a large part in the great record piled up by Ohio Northern in the athletic world this past year were—the cheerleaders. The greatest amount of pep and enthusiasm that has been aroused for years was brought out **of** the student body by the cheer boys this year. Frank Pumphrey served as head cheerleader and he really could bring out the yells. Frank has had plenty of experience in this work, having been a cheerleader for three years in high school and three here at Northern. The assistant head cheerleader was Charles Fly. Charley is only a sophomore but he too is a veteran at leading cheers and knows his stuff about the game. Under these two was a large and willing corps **of** freshman cheerleaders. These include Jack Brown, William Guyton, Mac Cole and Jerry Metzel, all of whom had had previous experience in high school and worked hard to rouse up plenty **of** spirit among the students.

BASKETBALL

Every man on the Northern squad saw action in the opening game of the season, as the Polar Bears defeated a weak Franklin team, 53 to **28**. Northern took the second game in stride by nosing out Blufton, 25 to **22**. Brentlinger, varsity guard was unable to play, being laid up by the flu and his steady play was missed by Northern. On the following night, Northern made it three straight by again taking Franklin. The final score was **48-34**. In winning Northern was further handicapped by losing acting captain Ray Bales, veteran guard, who suffered a recurrence of an old knee injury. The Polar Bears' first loss of the season was suffered at the hands of a strong Toledo University team which displayed a baffling pass attack. Toledo led at the half **21-14**, and the final score was **32-24**. The Lambmen came back the next week to take Heidelberg into camp **34-25**. Lehtonen and Reese each scored ten points for the Northerners. However, Northern couldn't quite catch Capital in their next game and were defeated **32-26**.

Led by Faber, six feet four inch center, Northern whipped Findlay in a nip and tuck affair, **28-24**. This game could have been won by either team up to the last moment when Greenstein's two fouls and Reese's long shot decided the game in favor of Northern. The Falcons from Bowling Green trounced the Polar Bears **30-22** in a game marked by the latter's weak defensive play. Failure to find adequate replacement for Bales and Brentlinger at the guards, plunged Northern, a fair defensive team at best, into a six game losing streak. The inability to stop Clelan, who scored **23** points, brought defeat to the Lambmen by the hands of Ashland **40-27**. Capital duplicated their first victory over Northern by winning **45-38**. Faber and Blose played well for Northern. Joe Ayres brought joy to the hearts of the Northern fans by playing a remarkable defensive game against Muskingum but the latter's **37** points topped the Polar Bears' scoring by six points. Otterbein continued the onslaught against Northern by winning easily; **43** to **32**. Greenstein played well for Northern and was the offensive star of the game. In the most exciting and well played game of the year Northern bowed to Toledo at a crowded Northern gym. Toledo won **40-35** but the score does not denote the closeness of the game. Northern led by Reese and Brentlinger, who started his first game since the beginning of the season, outplayed Toledo offensively, but gave the visitors too many set shots by being lax on a zone defense. Northern finally put an entry in the win column by downing Heidelberg **35-32**. Greenstein and

Brentlinger teamed up well at the guards and guided the Polar Bears to a well earned victory. In the final game of the season, Northern downed Bowling Green 56 to 49. Both teams played loose defensive ball. Northern was paced by Greenstein, Faber and Blose, who scored 18, 16, and 11 points respectively.

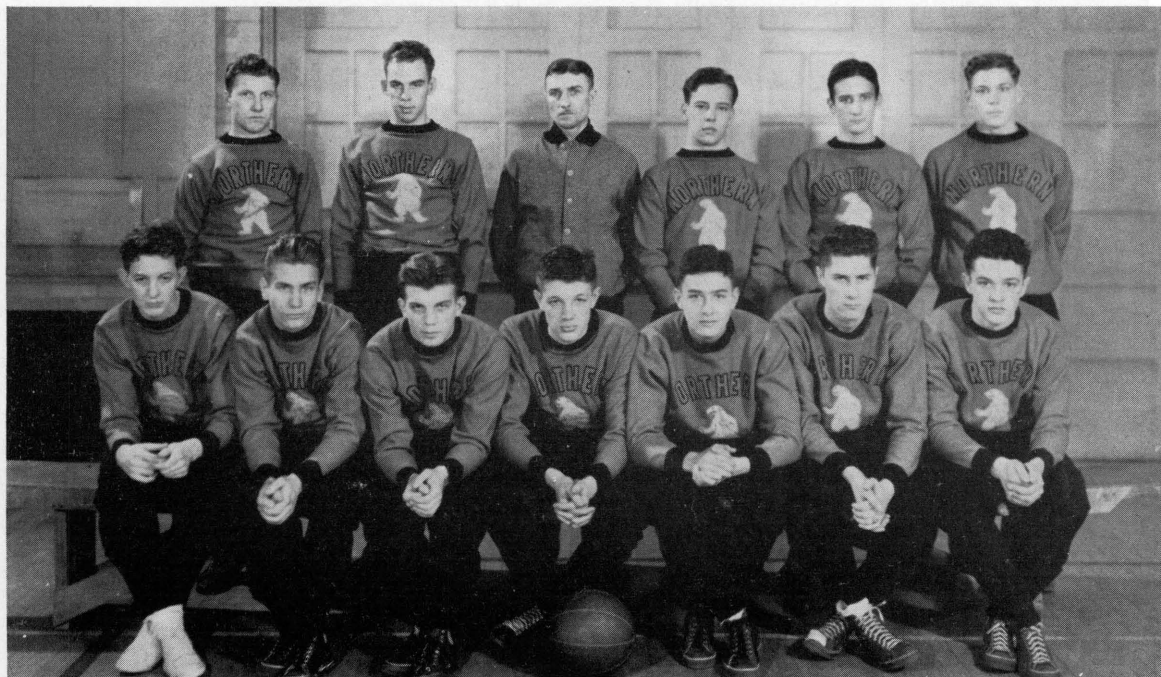

In summary, Northern came out fairly successful considering the number of injuries that befell the players. Rrentlinger and Bales were out for nearly the entire season while Hinkle and Harmon were handicapped by bad ankles for quite a few games.

Reese, Blose, Greenstein, Faber, and Ayres received varsity letters along with Hinkle and Kuenzli who received service letters. Lowell Reese was elected honorary captain for the year. Steve Shay was varsity manager.

FRESHMEN BASKETBALL

A large number of boys reported for practice as members of the Freshman squad and the following boys were able to survive all cuts: Harvey Orwick, John Canterbury, Paul Neiswander, Bill Lowman, Casimir Neiwiadomi, Robert Young, Howard Novesal, Tommy Smull, Emerson Shinaberry, Eddy Prokop, Larry Jackson, and Tommy Baker.

While the group was not outstanding there were several of the boys who may prove themselves capable of making the varsity next year. Practice sessions under Coach Clyde Lamb consisted of drills in fundamental basketball play and scrimmages with the varsity team.

NORTHERN FENCERS

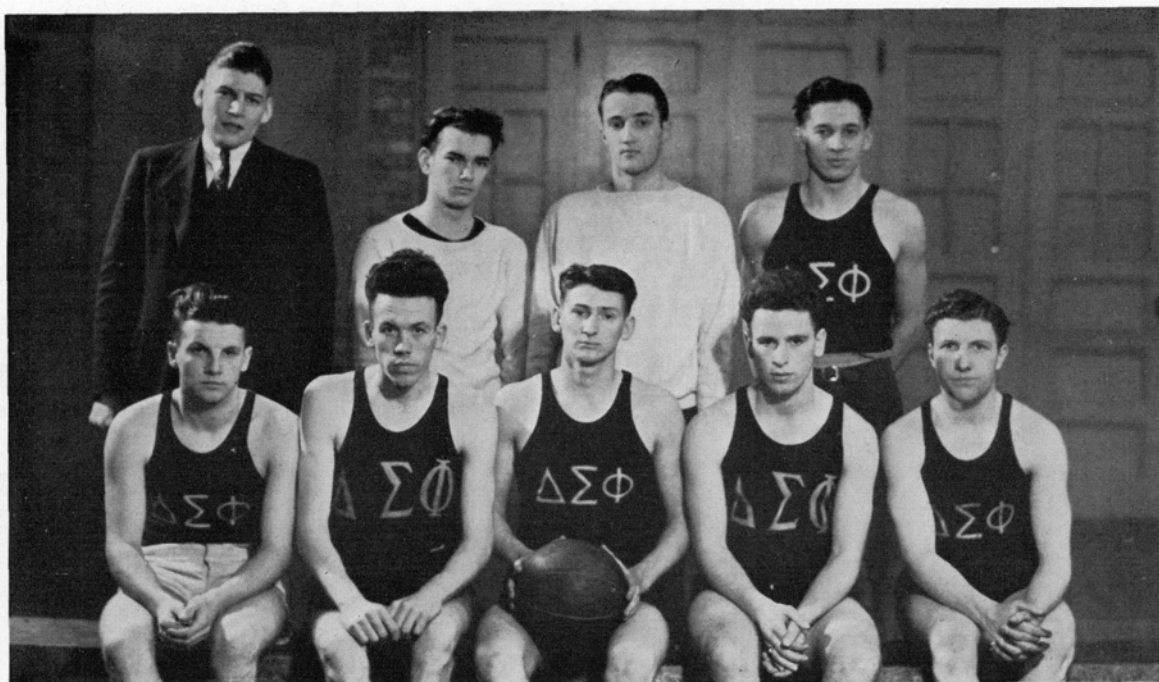

The Northern fencing team this year had three matches. Teams that were contested with were Wittenberg College, the University of Cincinnati and Western Reserve University. Ohio Northern beat Cincinnati by the score of 9 to 8 and was beaten by Wittenberg. In the Cincinnati bout, Brown of Northern won two bouts in the epee. In the saber bouts Papulias and Rutter won three out of five bouts. Ohio Northern won four out of nine foil bouts. In this event Northern was represented by Moore, Boyson and Papulias.

The team was composed of Wesley Neville, George Papulias, Jack Rutter, Lane Brown, Wolfgang Huebner, and Captain Walter Moore. The team was under the instruction of Major Cliffe Deming.

Fencing is in its infancy at Northern as an intercollegiate sport, but in the few years of its existence, some outstanding teams have been developed.

INTRAMURAL BASKETBALL

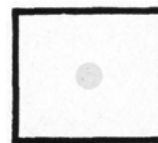

The Inter-Fraternity basketball season, as is usually the case, was one of the most interesting and hotly contested of all the intramural sports.

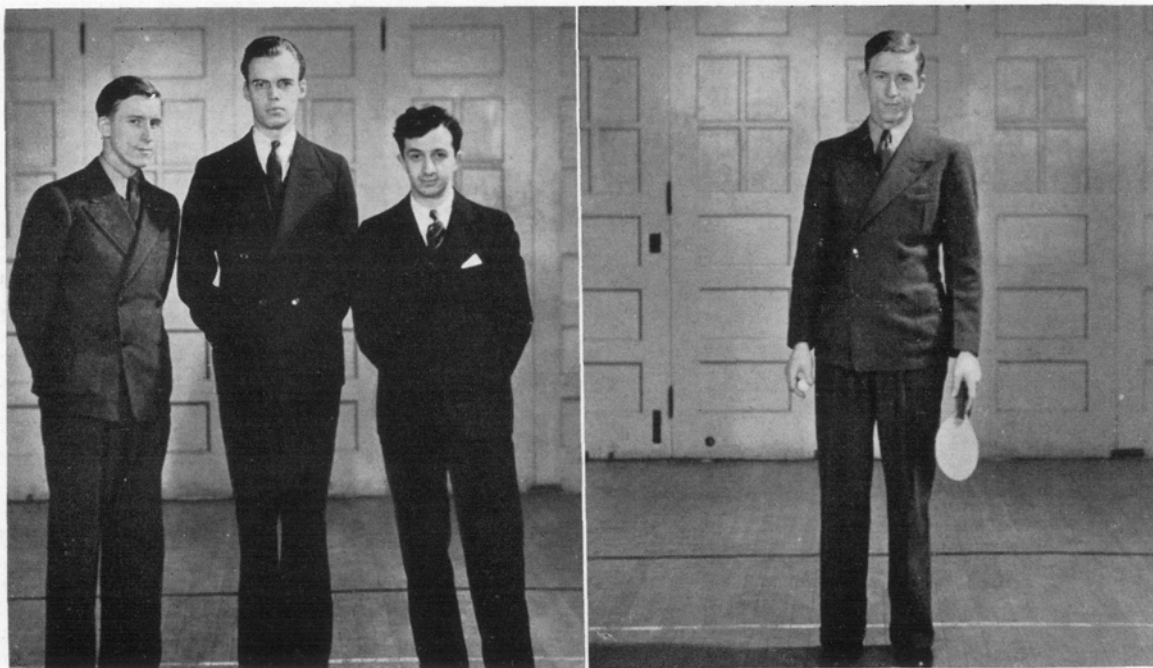

The Phi Mus were pre-season favorites, being picked by the "experts" mainly on the basis of their potential strength and reserve power. The Sigma Phi Eps were chosen to follow closely on the heels of Phi Mus with the rest of the clubs fighting it out for the other berths. However, the Alpha Epsilon Pis and Delta Sigma Phis, dark horses, upset the dope, and wound up a tie for the regular season in first place.

In the first round of the season, the A. E. Pis defeated the Delta Sigs 8 to 6 in a close guarding game. The latter went through the remainder of the season undefeated, while the A. E. Pis were knocked from the top rung in the league in the middle of the season by the Phi Mus, 14 to 11.

The Delta Sigs copped the championship when they defeated the A. E. Pis in the playoff game, 34-20. The south end boys played a fine offensive game and were too much for their rivals north of the railroad, who put up a valiant fight until the last whistle.

The Phi Mu Deltas finished in third place and played an interesting brand of ball, as did the Sigma Pis and the Sig Eps.

BOWLING

Bowling was a new sport introduced to inter-fraternity competition this year and the Sigma Delta Kappa frat was crowned champions. The boys who rolled for the Sidekicks were Lane Brown, Sam Karam and Fred Cassel and they proved too adept knocking over the pins for the rival frats.

a

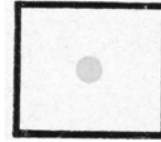

PING PONG

The Sigma Delta Kappa fraternity also won the ping-pong championship for 1935. Fred Cassel the winner of the title also held it last year. Cassel and Brown of the A. E. Pi's finished play with one loss apiece, but in the playoff Cassel won the title in straight games.

This sport is rapidly gaining in popularity among the students and interest in it is spreading to many of the students on the campus.

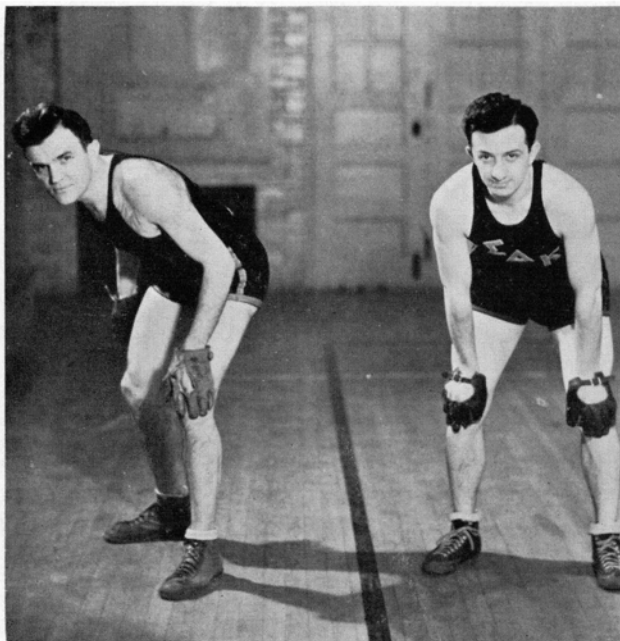

HANDBALL

The Sigma Delta Kappa frat won the intra-mural handball championship by taking nine matches from the other frats on the campus. Ted Macejko and Sam Karam composed the team that brought the law frat this title.

HORSESHOES

The Horseshoe championship was won for 1933 and 1934 by the Phi Mu Delta frat. To become champions in "Barnyard golf" the boys won all their matches. A match consists of two out of three games. Burdette Holmes and Ray Bales tossed the ringers and counters for the Phi Mus.

W. A. A. EXECUTIVE COUNCIL

The W. A. A. Executive council is the governing body of the Women's Athletic Association. All activities *of* the association are planned and carried out by this group. Among the projects planned and successfully promoted by this group this year were Play Day, when all the high school students from nearby towns are invited to be guests of Northern; they arrange and direct the intramural sports that the women of the university participate in; and the group sponsors the well known W. A. A. revue.

The officers of W. A. A. for this year were: Virginia Wilson, president; Geraldine Corbett, vice-president; Ruth Gill, Treasurer, Mary Wolfrom, secretary; Eleanor Baum, social chairman and Miss Tolf, faculty adviser.

GIRL FENCERS

Development of the technique and art of fencing was offered to the girls of the university as part of the varied sports program for the past year. A fine squad reported for instruction to Walter Moore, who acted as instructor for the group. Under Moore's direction the girls were taught the finer points as well as the fundamentals of the art of fencing. Fencing develops poise and grace and the squad derived much value from the time spent in practice.

The following girls were on the squad: Rettye Runyan, Esther Topliff, Ilavere Beynon, Virginia Hill, Dorothy Mitchell and Eleanor Baum.

HOCKEY

Hockey is one of the most popular girls sports at Northern. This portion of the girls athletic program is conducted during the fall quarter. The technique and principles of the game were taught in the gym classes during this quarter. At the Play day, a tournament was held and the championship team chosen. The "Mugwumps", captained by Adelaide Sawyer were victorious in this tourney. Play day is the annual day when high schools are invited as guests of the Women's Athletic Association and this exhibition of hockey was one of many to show what Northern does in the way of women's sports.

OPEN ROAD

Open Road club is another of the features of the womens sport program. In Open Road hikes to many interesting points in the vicinity of Northern are carried out. For participation in this event as well as all other of W. A. A. points are given towards sweater and letter awards. Open Road provided much pleasure as well as healthful exercise for those who engaged in this activity.

ARCHERY

One of the most interesting classes of the fall quarter was archery. Many girls took an active part in this sport and an archery tournament was held on Playday in which Pauline Purdy won first place.

INTRAMURAL MANAGERS

A great deal of the credit for the success of the girls intramural sports program goes to the intramural managers, Lucille Weber and Dorothy Mumaugh. These two were of great assistance to Miss Tolf in the planning and working out of the intramural program.

TENNIS

Tennis is an old favorite among sports with the girls of Ohio Northern. A complete course of instruction was provided for the girls in the gym classes during the fall quarter, at the conclusion of which they displayed a great amount of skill in the sport. In the tournament Elizabeth Moesta proved too skilful for her opponents and won number one ranking.

VOLLEYBALL

The volleyball tournaments were played during the winter quarter. Besides the regular gym classes, two tourneys were held. In the interclass tournament the freshman team proved superior to the other classes. In the more important tourney between the organized houses and independent teams—the Intramural tournament the town team had the honor of winning the championship after much spirited competition. The games were very exciting and the teams on the whole very well matched.

This is a large, intricate collage of black and white photographs, likely from a mid-20th-century yearbook. The photos are tilted at various angles and layered on top of each other, creating a sense of movement and depth. The subjects are primarily young men and women, presumably students, captured in a variety of social and academic contexts. Some photos show groups of students posing outdoors in front of brick buildings, while others depict individuals or small groups in more intimate settings, such as sitting at tables or standing in hallways. The clothing is characteristic of the era, with men wearing sweaters, jackets, and hats, and women in dresses, blouses, and skirts. The overall composition is dense and celebratory, capturing the essence of student life.

IN DEFENSIO PUBLICATIONIS

Any Annual is bound to reflect the personality of the group that publishes it. This is true, we believe of any yearbook, and the **1935** Northern is no exception. We have tried in this year's book to tell as representative a story as possible of the year **1934-1935** at Ohio Northern. We have attempted to present a new type of book—varied in layout, modern and yet within the limits of convention—in short an annual that we think you may like. Of course we may be wrong, but judge us with mercy and compassion.

There are certain things that any editor wishes to say, and you dear public being defenseless, he does say in any yearbook. We might say that the task was very enjoyable, that it was a pleasure and that it was an easy task. Having an inherited love for the truth we must confess that though these statements may sound nice they do not ring altogether true. To a certain extent the job was pleasurable, and the contacts we made were enjoyable. However the job was by no means easy. But it was valuable experience . . .

For whatever degree of success this book may attain we feel deeply grateful to the following persons and at this time wish to thank them. Dr. Robert Williams for his encouragement and substantial aid in getting the co-operation of the student body; to Mrs. Alyce Warren, to William Struna for assistance in getting pictures; to Bill Frederick of the Paezler Studio for his wholehearted help and to Mrs. Frederick without whose help one phase of the work may have seemed never ending; to Lawrence Freeman; to Miss LaVerne Daring; to all our advertisers and the organizations who are in the book we give our heartiest thanks. We also wish to thank each and every student individually who helped make this book. Without your co-operation this book would never have been possible. Despite economic conditions you as students did a marvelous job. Mr. Frederick reports that he took more new negatives this year than he has ever taken for a Northern Annual. And so once again we wish to thank you students of Ohio Northern. We also wish to thank Russ Benson for his fine ideas, his great aid in planning and carrying out the book and his unbounded enthusiasm in helping yours truly on the book. To Mr. Oliver D. Rogers of the Rogers Printing Company and his company we also extend our thanks.

And so we come to the end of another job. We hope that the book may please you, that in future years it may recall some cherished memory, that you may be proud to say this is the annual of my college—Ohio Northern—the **1935** Northern. And so in the patter of a more famous Bernie we take our leave and say, "We hope you like it".

Editor, The **1935** Northern

SO LIKE A ROSE

Fair one who passed my garden gate,
Who plucked a wild rose from the fence,
Not being here will ever take,
One precious memory of you thence.

Beautiful in colors crimson red,
I've watched them swing with child-like glee,
Wondering ere the morning sped,
If you would pick one lovingly.

You always understood the rose,
With all its tender magic splendor,
And loved them as one who knows,
Why petals bloom one day to wither.

With trowel I tendered them today,
And never dreamed or little knew
That you would never pass this way,
Your life so like this flower that grew.

A year has passed since then my dear,
As from a sleep they bloom anew,
But now from each petal falls a tear,
With thoughts of love they grew for you.

—RICHARD HURSH.

Turner Hall Tonight

A drama in four acts and so mellow it's rotten. But we can't help ourselves. Can you?

ACT I.

Time: You name it. Any day in the week, but because we don't like indefinite people we'll say Wednesday.

Place: Turner Hall, popular girls' dorm.

Scenery: You picture your own scenes. We haven't got any drawing paper or pencil. Let us now proceed with the drammer.

(At the home of Frank Pumphrey) Turner Hall goes everywhere, sees all, knows all.

Mrs. Pumphrey: Frank, you'll have to stay home and study tonight.

Frank: Aw shux, mom, I can't. It's Turner Hall tonight.

Mrs. Pumphrey: But Frank, you say that every night.

And so Frank makes his exit and wanders toward Turner Hall.

Time marches on. Or rather the scenery changes. We now go to the home of Jack Guy.

Mrs. Guy: Now Jack, I though you would like to go to the show tonight.

Jackie: Aw gee, ma, I'd like to, but it's Turner Hall tonight.

Time is still marching, so we'll go to the Sig Pi house. Here we find Jim Brentlinger and Bob Blose in a huddle.

Jim: Let's go to Lima tonight
Bob: Ray's going over the we might as well go with him.

Bob: I can't Jim, it's Turner Hall tonight.

And so people, Time marches on, Time lurches on, Time staggers on and finally Time stumbles. Meanwhile scenes like the above are going on all over the town as the daring young swains prepare to go to Turner Hall.

And so we shall now buzz down to Turner Hall. Or you may now leave your taxi, helicopter, airplane, car and stop wherever you are. But you might as well come with us and enjoy the show.

Scene: The front porch of Turner Hall. A dignified looking gent walks up, rings the bell, is greeted and walks in.

(The gent in this scene might be anyone but it looks like a dignified senior lawyer. But you can't ever tell what may turn up at Turner.

Lawyer: Good evening Miss Wise, how are you this fine evening? (Note: it is raining to beat the devil outside.)

Miss H. Wise: I'm very fine thanks.

Lawyer: Would you care to absent

yourself from here and advance on the local cinema.

Wise: Not tonight, I think we better stay here. You know it's Turner Hall tonight.

Various and sundry gentlemen go through the above procedure, meanwhile the clock in Turner Hall ticks ominously. It is nearing eight o'clock. From down the street is heard the tramping of feet, tired feet, big feet, little feet, well all kinds of feet. It is not the charge of the light brigade we find, but only Guy, Cullen, Blose et al., on their way to Turner Hall. And so this mighty army toils up the steps, ring the bell and wait. But they do not wait long.

Stage direction: A gal opens the door. She is Ann OnYmous. Guy, Cullen, Blose et al., entre. Time out: your author is getting a drink. Aah, that tastes good. Where were we. Oh pes on the steps of Turner Hall. Well, come on in. And so we find ourselves in Turner.

Everyone is seated when Guy, Cullen et al., walk in. Others we discern about the room are Morral, Law, Gesling, Dawson, Wise, Pumphrey and any others whom we may find necessary to bring in now and then.

Grandfather's clock strikes eight.

All is in a furore and the usual bashful Jack Guy grabs a fan and starts to use it as a microphone.

Jack Guy: Good evening, ladies and gentlemen, as you all know it's

Turner Hall Tonight. This program comes to you through the meanness of the Gadget Opera Company. This evening at Turner Hall, as you may not know we are celebrating Hamateur night. My, my what a fine collection of Hamateurs we have. But first let's strike up the band. Let's hear from Frank Pumphrey and his twelve piece orchestra. Mr. Pumphrey.

Frank Pumphrey: Thanks Jackie dackie, ladies and gentlemen, the boys and I will play first "On the linoleum", then "On the sofa", then "On the Chandelier". You can all see that we are getting up in the world. But maybe we're just getting up.

And so Mr. Pumphrey starts to direct the band, when that famous orchestra leader, Charles Fly, appears on the scene. Fly immediately takes command and Pumphrey retires to a corner—yelling "coises, coises, there's always a fly in the ointment".

The orchestra falters thru a medley, during which Bea Law steps forward and sings,

"Did you bring it With you,

Cause if you didn't bring it with you

I'll be mad and sad, but not glad

And not very bad."

After the orchestra in it's finest professional manner renders (or rather rends) these numbers, our distinguished announcer, Mr. Guy, steps forward and grabs the fan in the interests of the Gadget Opera Com-

pany. While the orchestra has been playing, Bill Lowman and Junior Bair have joined the throng. It seems they are going to participate in the amateur show.

Announcer Guy: Bla, bla, bla, please don't use gadget operas because they are written in English and not Latin. Gadget operas want to be exclusive, that's why we put on a program like this. "Nothing but the worst" is the gadget motto. Well folks to get on with your program. We have a fine bunch of Hamateurs tonight, and they are all anxious to start. Frank tells me he has his raspberry horn ready to give the best

ones the bird. Anyone that is too good is quickly disqualified on the Gadget Hawful Hamateur hour. Our first number on tonights show will be a melodramatic reading by Bill Lowman, accompanied by Mary Gesling at the piano. May I introduce Mr. Lowman and Miss Gesling. (Loud boos from everywhere.)

Gesling starts to tickle the ivories and Bill Lowman in his best style starts to recite:

"And one of you muggs know whose
I mean

And the lady is known as Lou."

Bill by this time is wowing them and Mary plays a delightful bit of accompaniment. Just as Bill is about to break down and go Al Jolson, Guy has Pumphrey blow on the lineoleum and Lowman is stopped. Without a doubt he is too good for the Gadget Hamateur Hour.

Announcer Guy: "Well Lowman was just too good but we have some acts here that promise to be much worse. Next we'll introduce a very handsome gent. What is your name, son?

Boy: Dick Hursh.

Guy: And what do you do?

(Continued on page 187.)

Hursh: I do some awfully terrible animal imitations.

Guy: Alright ladies and gents, Dick Hursh will now do his famous animal calls.

Hursh: Moo, moo, moo.

A voice from without: Moo, moo, yourself.

Here the gong is again sounded by Pumphrey and Hursh is tossed out. Anyone that can get an answer is too good for this program.

Guy: Well folks all the talent here tonight seems to be too good, but I'm sure that if you'll bear with us we can dig up something good. We now wish to present Bill Rockwell—what do you do Bill?

Rockwell: I'm known as the whispering baritone.

Guy: Go ahead.

Rockwell: Sswsswitss.

Rockwell also is rudely interrupted because he is too good.

Guy: My, my, folks we're certainly having trouble tonight in finding talent that goes down to our standard. I may have to do an act myself any-time now. Next we have Sugar Fling for a short talk on how he gets the freshman girl every year.

Fling: Well folks being modest, I can't break down and tell you all my secrets but I will confess that my power over the dames is terrific. Fling gets to finish his act and is now in running for the prize.

Guy: Next we shall hear from Curly Owens the pride of Lima.

Curly: (he makes signs like an automobile and heads toward Lima.) (Applause).

Guy: Hooray, now we're getting somewhere. Remember Owens just got to Lima. We will now hear from Junior Bair.

Bair: Do you think they'll win it? Fine outfield, great pitching, yes I think they'll win it. (Bair gets a great ovation, this is by far the worst act of the evening. Can there be others?

Guy: Well, well . . .

Esther Topliff comes in then and tells Guy that his hamburger is ready. "What do you want on it, Jackie-Dackie? Onions? have you a date tonight, then you can have an onion?"

Topliff's act is okay too though it wasn't scheduled. But it's Turner Hall tonight.

Guy gets flabbergasted, tells Pumphrey to take command, but Frank cannot be found, and the band strikes up, "God save the Gadget Opera Company". Guy recovers, announces that the program is over and awards the prix grande. He announces that that distinguished gentleman, Vance Paisley is awarded the first prize for his imitation of an Easter egg about to be cracked. Paisley did not compete, but he would have won if he would have, and anyway the Gadget Opera Company doesn't believe in long hours and discrimination. Meanwhile the audience of about 5000 couple stands and yells, "Paisley raw, raw, raw, Paisley".

Paisley stands and blushes furiously, frantically, foolishly and flippantly. Paisley: Well folks class always tells, and I knew that you would all find out how good I am not. To show you that I'm not unlike Caesar I will share with you my prize.

Guy: Your prize, young man, is a job selling Gadget Operas to all the people who want them."

At this point, Paisley faints and is brought a drink. He faints again and is brought two once more. He now feels better and sits up.

Guy: "He will recover from the

shock soon, meanwhile the clock is nearing nine, and we must say hello.

Pumphrey: "You mean goodbye.

Chorus: When do we hear the other acts.

Guy: If you've read this far, what you need isn't no acts, but an umbrella to keep your feet dry when it rains.

Hello again, folks, this is Jackie-Dackie saying hello again.

Frank Pumphrey plays, "When your Hamburger's ready in the key of G on my hot griddle I will kiss you if you take mustard instead of onion on it."

Bad dreams folkswy wolksies.

**IS THE COLLEGE FRATERNITY
BENEFICIAL?**

During the past two years much thought has been given to the question of the value of college fraternities, both to the student and the college. The immediate cause of this discussion is to be found in the fact that the fraternities have been handicapped financially of late and their has been a widespread growth in the belief of the non value of such organizations.

One must remember, however, that

the fraternity system is but a little over a century old. There is no reason to believe that this institution which has so well fulfilled a definite need in the past will not continue to do so. But it would be folly to overthrow an institution with millions of members and \$75,000,000 worth of property simply because a few universities feel no need for it in its present form.

Attacks on fraternities come from three sources: the outside world, the student body and the college administration. Let us cite some of the examples where the fraternity may prove advantageous to the college. First, fraternities tend to and do aid in meeting dormitory costs; second, the potential social values that accrue to the individual, because he lives with many varied types of men and must learn to make adjustments that are of benefit to him in later life; third, college frats promote loyalty to the alma mater and increase the students sense of loyalty to institutions of this type; fourth, the national fraternity with such aids as a traveling secretary, direct meetings, and literature tends to help the student in his relations to the college by advice on how to study, advice on finance and other knowledge of this type. It is a known fact that fraternity men on

the whole have higher scholastic ratings than non-fraternity men.

Now to briefly touch on the advantages to the student. The aim of every student is get an education that he may be better prepared to make his own way in the world. The education necessary to fit one for this task cannot be obtained solely in the classroom.

The fraternity throws the individual into direct contact with other individuals with a different personality. He lives, sleeps, eats, studies and plays with others who possess entirely different qualities than he does. He thus will be influenced by those who possess finer ideals and better ideas than himself. Only in the fraternity can such a close relationship be found in our colleges.

It is an old saying that one gets out of a thing only what he puts into it. Young men are taken into a brotherhood because it is essential that it be infused with new blood. Here the new member may obtain valuable training in administration. The ability to be governed and to govern is one of the finest things that a fraternity teaches. Here he learns to share responsibility and to co-operate in attaining definite objectives.

Other advantages of a fraternity are the encouragement of sportsmanship and the competitive spirit; the financial aid lent by the organization to the student which is paid back after graduation. The fraternity also furnishes a bond with the alumni and keeps up the old grads interest. Here an alumnus can go when he returns to the campus with full knowledge that he will be heartily welcome. Many people think that the value of the organization ceases upon graduation, but the erroneousness of this belief is shown by the number of old grads who subscribe to fraternity publications, who attend luncheons regularly and return for frat conventions.

Certainly this proves that the fraternity system is beneficial both to the university and the student.

TED HELY
AND HIS STOOGES

Northern possesses in their midst their own Ted Hely and his famous stooges in the person of Charles Hely, George Grimm and Edward Conley. Ted and his boys are Northern's most famous and should we say frequent night clubbers. That is they were the fall and winter quarters. One seldom knew whether Ada or Lima was their place of abode. But all the

fall quarter this unholy threesome plagued Lima. But alas and alaska now this is all changed. Grimm now is no longer the playboy of old, no longer is he the grimm jester, and Mr. Edward George Joseph Anthony Patrick Conley at the latest reports was broken down from carrying too many names. Meanwhile Ted goes on his way, but now it leads to the north end of Ada. Grimm has now become a model student, Conley a Gentleman of the Press and Hely—well just a gentleman.

ROUSTABOUT FIVE

The Roustabout Basketball five has just closed the most successful season in it's history and due recognition is now given. The squad for this year was W. Blackford, C. A. Harwood, Jr., C. Carnes, W. Hoopes, V. Paisley, and S. Harrison. The league this year was not only a financial success but a social one too. At the end of the strenuous season Amalgamated Press Service picked the all star team for the league in which the Roustabouts played in. It follows: forwards, William Blackford and Charles Harwood, Jr.; Center, Craig Carnes; guards, Scott Harrison and William Hoopes; waterboy, Vance Paisley. The boys were handicapped by poor laundry service now and then but even then could not be stopped. Under

(Continued on page 191.)

the determined leadership of C. Ronnie Harwood, Sunnyboy Carnes, Bill Hoopes, Wild Bill Blackford, Slicker Harrison and Smarty Paisley, play was kept at a high pitch. Interest was never allowed to drag and many close games were bagged. Since there were so many newcomers to the Roustabouts this year, and only the reliable

Ronnie and the Slicker will be missing for next season, much hope is held out for the future. Charges of pro-se-lyting have been denied by Sunnyboy Carnes, but the suspicion is still there. Games were played all over north-west Ohio—and the Roustabouts as we remarked earlier never lost a game—they went after.
